

## Rebuilding Consultation Stage 1 – September 2020

**Manor Mission Church is looking at how to potentially rebuild its buildings to allow it to serve the community and congregation more effectively.**

We want to get your views regarding the needs of the local community and our congregation so that any new buildings can better support those we aim to serve.

### **ABOUT MANOR MISSION CHURCH**

Manor Mission Church was set up in 1926 as an independent Christian chapel to serve the original inhabitants of Laindon. Over almost a century we've hosted a variety of groups to serve the needs of the local population alongside our church activities.

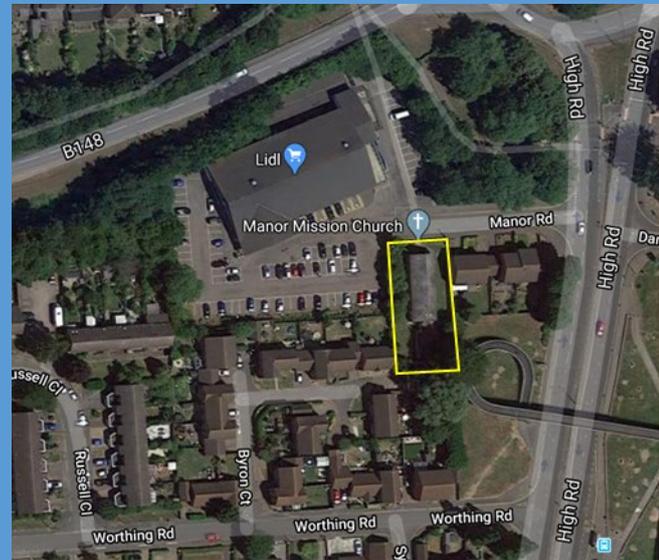

Currently we host a youth group, multiple Guiding groups, Disabled Christians Fellowship, a coffee morning, the Laindon School Uniform Bank and Diabetes Support group, amongst other regular and one off activities in line with our Trust Deed and Charitable objectives.

In light of the wider development of the area, we are looking at redesigning our buildings to make them more suitable for a wider range of groups. We are consulting the community to find out what would make the most impact in the local area so that the building design will facilitate what our community and congregation need for us to continue to serve them.

## THE SITE

Our buildings are located off Manor Road, opposite the LIDL supermarket near the High Road. The plans for the redevelopment of Laindon include converting the current LIDL site into residential housing and the land that is currently vacant to the southwest will become the site of the new Health Centre.

## PLANNED CONSULTATION PROCESS

The below diagram is indicative and may change due to circumstances beyond our control.

## FURTHER DETAILS

If you need any further information about our history, governance or activities please either visit our website [www.manormissionchurch.org.uk](http://www.manormissionchurch.org.uk) or email [admin@manormissionchurch.org.uk](mailto:admin@manormissionchurch.org.uk).

## HAVE YOUR SAY

We want to get your feedback as we redesign our buildings and there are a number of ways that you can get involved:

- > Fill in the questionnaire below and put it in the post box at the church or by posting it to Manor Mission Church, Manor Road, Laindon, SS15 6PA.
- > Take a look at our website [www.manormissionchurch.org.uk/rebuild](http://www.manormissionchurch.org.uk/rebuild) to fill in the questionnaire online or to ask a question.
- > Visit our Facebook Page @ManorMissionChurch
- > Get in touch by email: [admin@manormissionchurch.org.uk](mailto:admin@manormissionchurch.org.uk)

All responses must be submitted by the **30th September 2020**.

### CONSULTATION STAGE 1

Our initial consultation is to ascertain the needs of the local community and congregation to allow the building designs to reflect those demands. There will be a fuller consultation on potential designs once the results of this first stage consultation have been considered and discussed with planners.

If you would like to be notified when the second stage consultation takes place please complete the relevant section on the next page.

**How often would you normally (pre-covid) use our current buildings? (Please circle)**

Never      More than once a week      Weekly      Monthly      Yearly

**If you have used our current buildings - what was that for?**

**What are the top 5 uses that you think would make the greatest impact on our congregation and local community?**

- 1)
- 2)
- 3)
- 4)
- 5)

**Do you have any other comments about the rebuilding project?**
