“I will strengthen you and help you” (Heather)

"So do not fear, for I am with you; do not be dismayed, for I am your God.

I will strengthen you and help you; I will uphold you with my righteous right hand.

Isaiah 41:10

I've always said if my life was easy, it wouldn't be my life!

As an example, a week or so ago at work, I was dealing with a missing person (staff searching, dealing with the police, notifying family, CQC and the person's funding authority) and at the same time having to prepare a family for the loss of their beloved mother and do the necessary paperwork for the GP and palliative nurse involvement.

Most of the time, I have no idea how I've coped...but the verse for the year explains it all! God strengthens me and helps me as I need him to on a daily basis.

And he can do that for you too!

Here are ways to defeat fear with daily faith choices:

1. Remember God has promised he will never leave us (Deuteronomy 31:6). Satan wants us to feel as if God has left us all alone. No matter what we will face, God is right there.
2. Remember God is never surprised by our circumstances.

He is sovereign and knows everything. He even knows our future (Jeremiah 29:11).

3. Remember God can work our circumstances out for good, no matter how bleak they appear (Romans 8:28). Satan will try to convince us that our situation is the exception. But God said all things.

4. Stop asking, "Why did this happen?" when we are afraid.

Instead, ask God, "What can I learn from this?"

5. Remember all that God has done for us. Be like David, remember all the times God has been with you as you faced your giants.

6. Remember God is bigger than whatever we fear.

We are talking about Almighty God who is the Creator of all things seen and unseen.

7. Imagine placing whatever scares you into God's hands. Then take a deep breath and picture yourself walking away because He's got it in His large capable hands.

God says:

...I will strengthen you and help you...

Isaiah 41:10 (NIV)
