

# Open Service Preparation – 23<sup>rd</sup> February

## Theme: Holy Spirit

Have a read of the following verses and make a note of what they tell you about the role of the Holy Spirit to be able to share this at the open service at the end of the month.

You may need to read around the verse a little bit to make sure you get the full context.

I have tried to group similar passages to help identify the 'role'.

Please also think of songs around the theme of the Holy Spirit for the service and we will have time for prayer requests / praising God in prayer.
